

SEMINAR ON 'STUDY ABROAD GUIDANCE

The higher education cell organized a seminar on study abroad guidance on 20/01/2015, Tuesday. Mr. K. Muthusamy, Trustee, Cheran Educational Trust, presided over the function and principal Dr.S.Nithyanandam addressed the gathering.

The chief guest **Mr. Dhinesh kumar**, Business Development Officer, Edwise International, addressed the students about the advantages in studying abroad. He explained that the students could get practical exposure and they could enhance and develop their systematic approach when they continue their higher studies in abroad. He explained the importance of writing the TOEFL, IELTS, PTE, SAT, GRE AND GMAT exams so that students can migrate abroad for their higher studies. He mainly focused on the IELTS exam and the how effective students should be in preparing for it and he also explained the wide open opportunities at job markets for students who studied abroad. He discussed about the four modules of IELTS exam that is reading, writing, speaking and listening. He urged the students to study abroad to improve their professional and financial potentials by part time jobs. Also he gave some tips for applying scholarship, discounts and education loan to study in foreign countries. He concluded by highlighting the familiar websites like bayt.com which is meant for gulf countries to get job opportunities. After his speech, students interacted with the chief guest and students gave their feedback about the session. Around 150 students participated and interacted with the chief guest.
